YOUR 2026 MID-YEAR IMPACT REPORT

Thank you for showing **JESUS' LOVE** through...

Medical Care	4
Miracles of Sight	6
Shipping Miracles	8
Emergency Support in Cameroon	10
Your Legacy of Love	12
Gifts of Hope and Healing	14

"And he took the children in his arms, placed his hands on them and blessed them."

– Mark 10:16 (NIV)

Dear Friend,

Jesus' love changes everything.

It reaches the fringes of society, into the deepest places of need and pain. It brings healing to hurting bodies... hope to weary hearts. It restores joy and dignity.

And it's the love that YOU are showing to the world's most vulnerable children.

This Mid-Year Impact Report is a celebration of that love. A celebration of the incredible difference you are making in the lives of children living in poverty with disability.

Because of you, children are walking, seeing, playing, and laughing with friends. They're learning at school, going to church, and stepping into a future filled with possibility.

Though you may never meet these courageous kids in person, your compassion and generosity are showing them that they are seen, valued, and created with purpose by our loving God.

Thank you for showing Jesus' tangible love to children in need.

God bless you,

Kyalo

Peter Kyalo Mwalimu, Executive Director
Hope and Healing International

← Nehemia is incredibly athletic. Now with his new wheelchair, I can only imagine all the great things he'll do!

JESUS' LOVE through Medical Care

4-year-old Victor

"Mummy, why are my legs bent? Why can't I walk like other children?"

– Victor before his treatment

Victor was born with clubfeet so every step was painful. He often stayed close to his mom, away from other kids, because he was afraid they would laugh at his twisted feet.

Victor's community saw his disability as a curse. His mom, Charity, worried her son would grow to hate himself.

Then, through the radio, Charity heard about an outreach clinic run by Hope and Healing's program team. Victor was assessed and referred to Hope and Healing's partner hospital for treatment.

But getting there seemed impossible. Charity had never left her village before. With nothing but determination – and some roasted cassava packed for the road – Charity and Victor travelled 17 hours to reach the hospital.

"I now play with other kids in school. They no longer laugh at me. My feet no longer hurt!"

– Victor after his treatment

Thanks to kind and generous friends like you, Victor received the treatment he needed – a series of casts followed by foot-straightening surgery.

Today, Victor walks confidently to school, surrounded by friends. His community sees that disability isn't a curse – they now celebrate him!

For Charity, seeing this change in her child means everything. **"Thank you, Hope and Healing International, for treating my Victor. You are truly heaven-sent to my Victor."**

In the first half of 2026, **9,782** friends like you gave medical care to kids like Victor through faithful, monthly gifts. Your steady support makes this life-changing work possible – and together, we can reach even more kids this year!

JESUS' LOVE through Miracles of Sight

So far this year,
you gave enough for **11,740** kids like Joyce to
receive the sight-saving care they desperately need.

8-year-old Joyce loves school and has dreams of becoming a math teacher one day. But she was losing her sight to cataracts, and her family couldn't afford the surgery she needed. She struggled to see the blackboard... even the faces of her family and friends. Eventually, Joyce stopped going to school.

Thankfully, a caring friend like you covered the cost of her cataract surgery – a miracle that completely changed her story. Today, Joyce can see clearly. She's back in school, and back on track to follow her dreams!

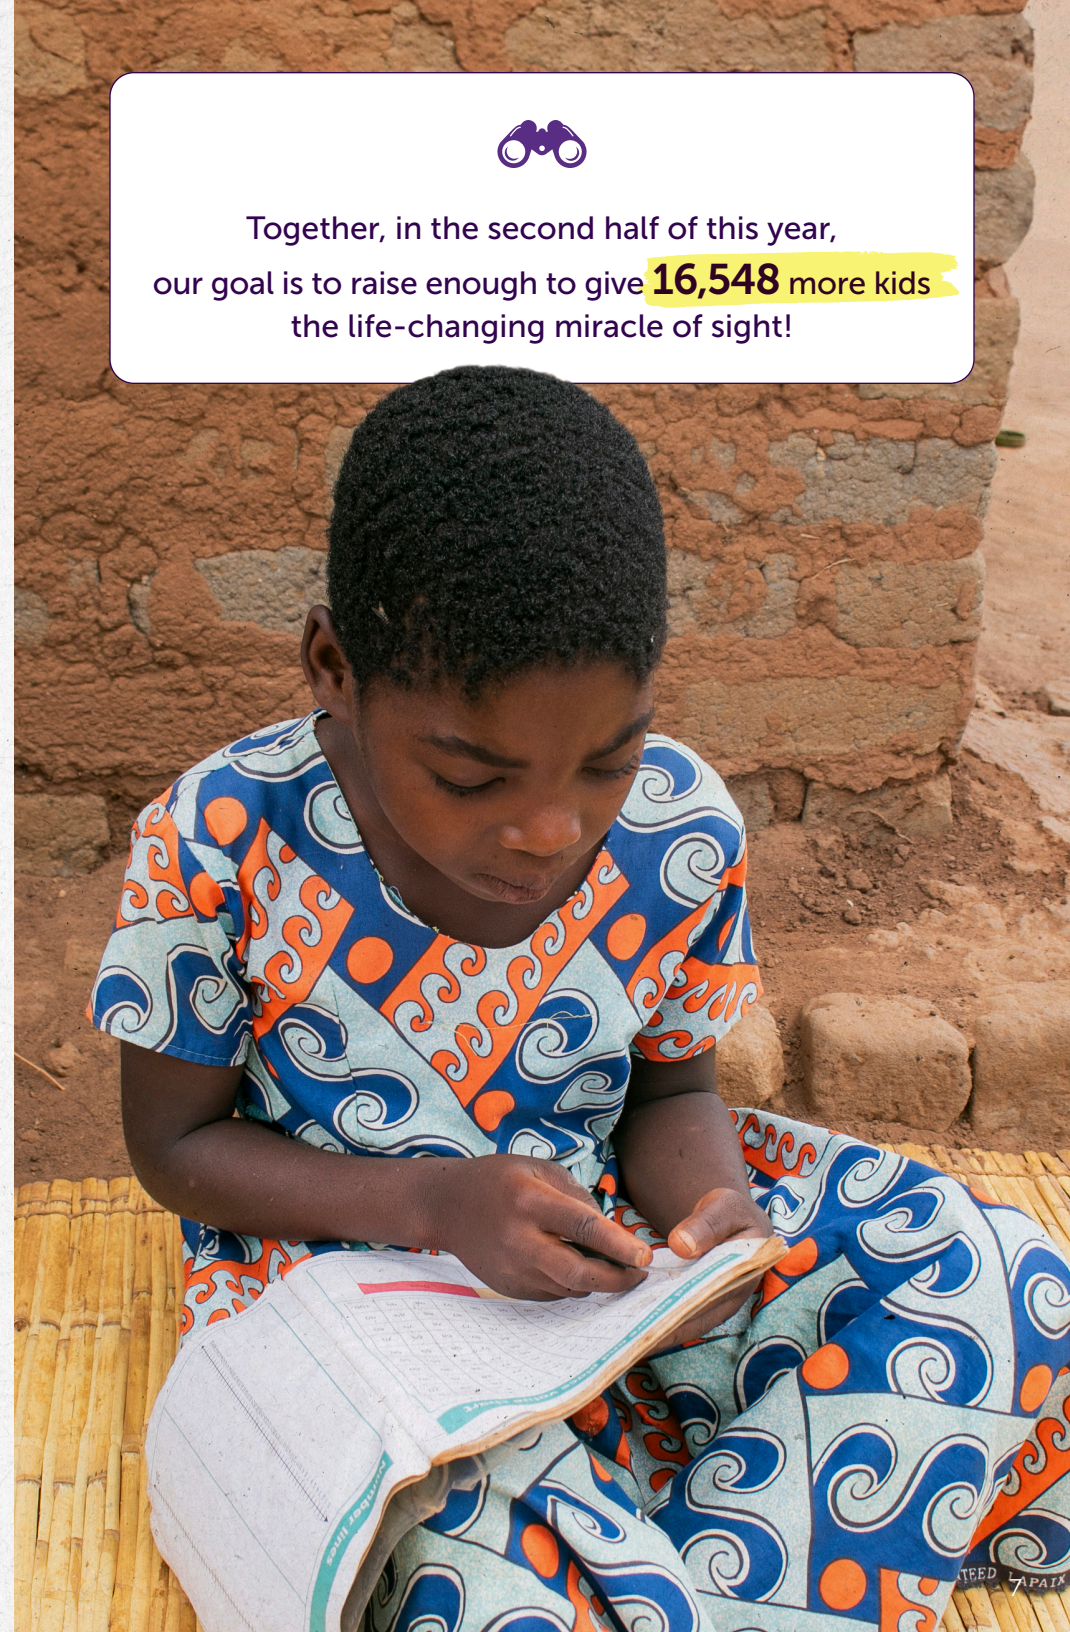

*Joyce after
sight-saving surgery*

"To the people in Canada, I thank them very much for helping Joyce be able to see... I thank them for everything that God has done and is doing through them."

– Nasineya, Joyce's grandmother

Together, in the second half of this year,
our goal is to raise enough to give **16,548** more kids
the life-changing miracle of sight!

JESUS' LOVE through Shipping Miracles

In the first half of 2026,
you shipped **\$6M** worth of life-saving medical
equipment to our partner hospitals and clinics in
Cameroon, Eswatini, Malawi, Uganda, and Zambia.

Because you shipped vital supplies donated by Canadian hospitals and companies, children were able to get the medical care they needed. Thank you for sending walkers, crutches, rehabilitation equipment, medicine, food aid, and so much more!

"When she was born, she needed help right away. **The baby warmer helped stabilize her.** I want to thank Hope and Healing International for this generous donation. This equipment will help a lot of babies like mine."

— Beauty,
Baby Siakayiya's mom

"Thank you for my crutches. Because of the crutches, I can **walk and go to school.**"

— Faith, 11-year-old
girl living with a leg
amputation

In the second half of this year,
our goal is to ship **\$9M** worth of miracles so even
more kids can receive the care they need.

JESUS' LOVE through Emergency Support

CAMEROON FLOODING CRISIS

The devastating floods in Cameroon have caused displacement and food insecurity for hundreds of thousands of children and families – and in any crisis, children with disabilities are the most vulnerable.

Our program team is on the ground, and the emergency work is already well underway. Local health workers have been trained in disability-inclusive emergency care, and children with disabilities and their families have been identified and registered to receive the urgent care they need. Because of you, medical care, nutrition, and trauma support are getting to those who are most overlooked and forgotten in a critical time of need.

"This action comes at the right time. Affected families, especially those with children with disabilities, need specific support to recover from the floods."

– Divisional Delegate, Basic Education

In the second half of 2026,
more children and families will receive urgent treatment for malnutrition, waterborne illnesses, and psychological trauma caused by the floods. Lost or damaged assistive devices will be restored, and emergency shelters will be rebuilt so every child, regardless of ability, has a safe place to go in future crises.

This work wouldn't be possible without your prayers and support.
Thank you for saving children's lives in Cameroon.

JESUS' LOVE through Your Legacy of Love

Like so many of our loyal, compassionate supporters, Linda Robertson's faith is a core part of her life. She loves reading God's Word and sharing it with others. That's why leaving a legacy gift to a Christian organization is so important to her.

"I want to give to an organization that honours the gospel... Hope and Healing International is a wonderful combination of touching people's lives physically and spiritually."

– Linda K. Robertson, Legacy Donor

For Linda, a legacy gift is her way to join hands with Jesus to impact the lives of the world's most vulnerable children in years to come.

In the first half of 2026, members of our Legacy of Love Society have left a lasting impact by making it possible for:

5,875 kids to receive the miracle of sight

3,451 kids to receive vital medical care

2,764 families to receive clean water

A legacy of love is a meaningful way to care for the people and causes you love. It reflects your foresight, generosity, and faith that ripples into the future. When you leave a gift in your Will to Hope and Healing, you leave a legacy that transforms children's lives for generations to come.

"I'm able to see far now. I have no pain. I am very excited and happy that my eyes have been fixed. Thank you!"

– Estery, after receiving the miracle of sight

In the second half of this year, we're praying for:

14 more Canadians to join our Legacy of Love Society by choosing to leave a gift in their Will to transform children's lives in Jesus' name.

Learn how you can leave a Legacy of Love at hopeandhealing.org/Legacy

JESUS' LOVE through Gifts of Hope and Healing

The Give Hope and Healing Gift Catalogue is a tangible way to show Jesus' love to the world's most vulnerable children.

Each gift gives healing to a child's body and hope to a child's heart.

Last year, together with other generous Canadians, you gave a total of **9,072** gifts from the catalogue – that's over **\$1.2M** worth of hope and healing!

You gave enough:

- To stop needless pain and blindness for over **1,022** kids
- For more than **345** children to receive sight-saving surgery
- To give over **587** children their very own Bibles
- For over **530** families to receive 1 rooster and 2 hens – an ongoing source of income and food
- For more than **129,800** children to receive life-giving, disability-preventing medicine

Thank you for showing Jesus' love to children living with disabilities across sub-Saharan Africa.

Because of you, children are seeing clearly for the very first time... painful, twisted feet are becoming straight.... families are able to put food on the table... and entire communities are beginning to believe that the best future is one where every child is included.

"When they remove the plaster, I want to play football! I thank Hope and Healing International for correcting my legs."

– Samuel, after receiving treatment for his clubfeet

Together,

we can give the gift of hope and healing to more vulnerable children and families. Keep an eye out for your **2026 Give Hope and Healing Catalogue** this fall!

Because of you, courageous children are taking confident, joyful steps forward – to school, to church, to play... to be all that God created them to be.

Thank you for giving the best gift of a child's life.

David,
before clubfoot
treatment

Friends like you gave
David the treatment
he needed!

Now, almost 2 years old,
David can walk, run,
play on straight feet!

"I'm very happy for the help that the people have given to me because I couldn't do anything to help David. May God continue to bless them... Thank you so much, Hope and Healing."

– Florence, David's mom
